Live the green life! The Pays d'Auge gardens offer the imagination, the delight of their wandering paths or their French style views. We can walk there among water features, sculptures, cut hedges, plant arches and flowery groves.

*By the fireplace
or in the garden*

Traditional cuisine showcasing regional products, a warm and friendly welcome... restaurants in the region offer gastronomes the best of the Normandy flavours.

In an inn with a rustic setting with exposed beams, in front of a crackling fireplace or in the romantic atmosphere of a garden covered with flowers, our gourmet tables are an invitation to taste the pleasures of authentic Normandy, that of green, generous nature, real relationships.

***The restaurants of Lisieux, Mézidon-Canon,
Saint-Martin-de-Bienfaite, Orbec reserve the best for you!***

*Unusual, with charm
and style*

In addition to its geographical diversity, the Pays d'Auge increases the types of accommodation.

Whether you are looking for a small inn nestled in the valley for a romantic weekend, the upscale hotel combining trendy decor and quality restaurant or you want to treat your children by paying for them to sleep in an unusual setting, rest assured, all this is possible.

Cosy hotel in the city centre, bed and breakfast in the countryside, refined farmhouse, caravan, safari tents to observe wild animals or even a tree house...

There really is something for everyone.
